

Capel Manor College

Practical Instructor in Animal Management

Job Description & Person Specification

JOB DESCRIPTION & PERSON SPECIFICATION

JOB DESCRIPTION

Post	Practical Instructor in Animal Management
Scale	Business and Learning Support
Grade	Scale 4/5 Points 15-22
Responsible to	Team Leader in Animal Management
Location	Crystal Palace
Contract	Full-time, Permanent
Key Responsibilities:	

The key responsibility of the Practical Instructor in Animal Management is to support the teaching staff across all courses within the College's Animal Care programmes, including maintaining practical equipment and providing practical demonstration and technical instruction to students in a wide range of animal care subjects. Practical Instructors provide demonstrations and technical instruction to students undertaking practical animal care from Entry Level to Level 3 and Higher Education and carry out practical assessments of students in line with awarding body requirements completing all necessary records.

Responsibilities:

1. Train and support Animal Management students on the practical elements of their courses
2. Supervising small groups of students carrying out practical projects, providing technical assistance and advice and required
3. Lead demonstrations to Animal Management students, to help them develop the appropriate skills, methods and techniques for tasks such as feeding, handling and exercising animals
4. Preparing and delivering practical learning materials to learners across a range of courses
5. Assess the practical competence of learners
6. Working with teaching staff to assist in the guidance of students at the College
7. Liaising with members of teaching staff to co-ordinate demonstration sessions and ensure the smooth transition between classroom studies and practical sessions
8. Ensuring that all requirements and regulations relating to health and safety are adhered to at all times, ensuring that the health and safety of students is maintained whilst undertaking practical sessions, including undertaking and recording risk assessment
9. Organising the provision of all equipment required for practical sessions in animal care
10. Utilising College facilities to develop projects and learning opportunities while maintaining animal enclosures and implementing new enclosure designs
11. Maintain general gardening duties within animal areas and liaise with members of the gardening and horticultural team to ensure that the areas are kept at a professional standard
12. Assisting the Animal Keepers with animal husbandry tasks, such as ensuring high standards of hygiene and cleanliness in all animal areas, exercising, training and handling of animal stock as appropriate, and ordering supplies
13. Providing support for the weekend care of animals, as and when required
14. Any other reasonable duties of a comparable nature as required by the Line Manager

General Responsibilities:

1. Promote and implement all College policies, particularly those which refer to health & safety, equality of opportunity and Safeguarding young people and vulnerable adults
2. Participate in College programmes of staff appraisal and continuing professional development
3. Develop effective working relationships internally and with external partners
4. To operate at all times in line with the College's values and behaviours
5. Undertake other duties as may reasonably be required in the interests of the efficient functioning of the College
